****The Consumer Confidence Report is now available at City Hall**

NOTE FROM THE MAYOR

Greetings Residents,

I hope your summer has started off well. Some of the points from June's council meetings were: the council renewed contract with the Kossuth County Sheriffs Office, set employee wages for the next year, transferred the liquor license to the park for the 4th of July, renewed the cigarette license for Town Mart, having parking lines marked on main street this summer and settled with Alliant Energy on their cost of patching the roads. The city accepted a bid from Heartland asphalt to repair and replace some of the roads in town. There will also be patch work being done on city streets from another contractor. This project is to be complete by end of August. We have had great attendance at our pool since being able to open to the public for recreational swimming. There will be a modified celebration on the 4th for all the activities that the Community Club will be hosting this year, it will be a great day celebrating our country, I want to say thank you to all the people that make that day a success.

Regards,
Vahn Schumacher.
