## NOTE FROM THE MAYOR

Greetings!

A busy month at the City even with the Covid Crisis. You will notice your water pressure is low as the tower has to be empty and there are a few gentlemen hanging off the water tower. They will be working for a few weeks to clean and paint the water tower. As of right now we are on schedule to open the pool. There are some minor repairs being done at the baby pool right now but are to be complete before opening. We had our first ever zoom council meeting last month, it went pretty well but I want return to regular meetings as soon as possible. Be sure to get your BBQ chicken on Memorial Day which is a great Wesley tradition from a great organization! The banners on our main street are a great way to honor our former residents/family members and makes our main street look great! I hope for a great summer in our community and to get back to regular activities as soon as we can.

Best  
Vahn Schumacher
