## NOTE FROM THE MAYOR

Dear Residents,  
Well folks we are still living in the Covid 19 crisis. I am happy to see people out walking or working in their yards, it always seems that everyone is keeping safe distances, so thank you for that. Regardless of opinion on the virus, thank you for doing your part. The parks are still closed and will be until the governor opens them back up to the public. The company to paint the water tower will be here and begin work within the month. We will have a ZOOM meeting for the city council this month. Info will be posted on our Facebook page and City Website. This will be new for everyone using them so please have patience if the meeting takes a bit longer. Nothing has been canceled just yet for the summer, the city council will make decisions on if/when the pool will open, Wesley little league and town celebrations. Please remember when cleaning up your yards, the city has dumpsters for rent if you have a lot that you are getting rid of. The burn pile is also open at the lagoon. Please call City Hall with any questions.

Best Regards  
Vahn Schumacher

Wesley Fire Department and Wesley EMS are offering Birthday and Celebration Parades for our residents. They understand how disappointing it is celebrating birthdays/anniversaries without their friends and family near during the coronavirus pandemic are, so they're offering to pay them a special visit. The departments are accepting appointments to bring their truck to the homes of those who have birthdays/anniversaries in May. That includes lights, sirens and lots of support. The departments are subject to have a call and may not be able to make every request. To arrange a Parade contact Fire Department Chief Tracy Studer at 515-320-0581 and EMS President Kirsty Riggert at 515-341- 6324.
